Fairfax Park Authority Annual Report Available

The Fairfax County Park Authority recently published “Charting the Course,” our annual report which provides a look back at accomplishments in both 2005 and 2006. This report gives residents a glance at emerging issues, provides a greater understanding of the agency mission, and provides insight into the benefits of stewardship, land preservation and provision of recreational amenities.

You can find out about Clemyjontri Park, our recently opened fully accessible playground in McLean, VA. This park features two acres of playground fun including a carousel and four the thematic areas.

Learn about the benefits of controlled burns that allow native plants to return to healthy meadowlands, or consider the benefits of fitness in your life. There are free concert programs to enjoy, a Park Foundation to support and partnerships in the making.

For a copy of this report, visit one of our staffed Park Authority sites and ask the front desk attendant for a free copy. Or visit us online at www.fairfaxcounty.gov/parks/annualreport/. You may also contact us via parkmail@fairfaxcounty.gov and request a copy or call the Public Information Office at 703-324-8662.
